OBJECTIVE

As a current Computer Science student at the University of Regina, I am dedicated to advancing my expertise in cybersecurity and software development. My fervor for programming and technology has provided me with a solid grounding in computer science, bolstered by proficiency in diverse software applications such as the Microsoft Office suite, Linux/Kali Linux, MS Windows, and macOS. My skill set extends to virtual machines and graphic design tools. Additionally, I possess comprehensive knowledge of several programming languages, including Python, JavaScript, C++, C, and MySQL. I am steadfast in my commitment to ongoing learning and skill enhancement, driven by a diligent and disciplined work ethic that enables me to consistently meet and exceed objectives, no matter the challenge.
